

September 9, 2012

Dear Nicholas,

The 2012-2013 Major Award Winners have been selected. Congratulations! Your American Mountain Goat measuring 29 3/8 has been selected as 2nd place in the Major Awards Program for Muzzleloader (North America). As a Major Award recipient, your entry has been selected from all entries submitted during the award period.

The Night of the Hunter Major Awards Reception will be the main event for Thursday evening January 24, 2013. This new reception replaces the Thursday night dinner and will be an array of hors d'oeuvres, carving stations and cash bars set in a festive atmosphere. An exciting lineup of evening auction hunts and items will lead into the SCI Major Awards program. This program honors hunters, our hunting heritage and top species taken in the last 24 months as well as recognizes 2012's hunting accomplishments. The evening will close with a splash of country and comedy from the Bar J Wranglers. The Record Book Department would like to give you two complimentary to be present to receive your award. Additional tickets can be purchased online for \$25.00 each. This is an excellent opportunity to meet and mingle with other SCI members and share your hunting adventures. The Major Awards Reception is one of the most exclusive receptions held during the SCI Annual Hunters Convention. In the very near future you will receive a formal invitation in the mail that includes an R.S.V.P. card.
